

UNPARALLELED MANEUVERABILITY.

VERSALIFT
BUILT YOUR WAY

VANEL-29 | VAN-MOUNTED TELESCOPIC AERIAL

COMPACT SIZE. BIG CAPABILITY.

The VANEL-29 gives telecom and sign & lighting crews compact, van-mounted access built around the way they work. Available with multiple chassis, platform, storage, and splicing configurations to help crews stay productive in tight rights-of-way, neighborhoods, and urban jobsites.

ACCESS MORE

Compact telescopic reach helps crews work efficiently around overhead telecom infrastructure.

- Up to 34 ft 4 in working height
- Up to 23 ft 1 in horizontal reach
- Up to 400 lb platform capacity

MANEUVER MORE

Van-mounted configurations help crews get closer to the work in places larger trucks cannot easily access.

- Ford Transit
- Ram ProMaster
- Ford E-350 Cutaway

CUSTOMIZE MORE

Versalift is the only OEM offering insulated and non-insulated van configurations, plus platform, storage, and splicing options built around the way your crews work.

INDUSTRIES

Telecom | Sign & Light

PRODUCT CAPABILITY

Working Height	Up to 34 ft 4 in (10.5 m)

REACH DIAGRAM

Reach and dimensions vary by chassis, platform, pedestal, and configuration.

Configure your VANTEL-29 for the way your crews work. Choose from platform, splicing, control, and support options built for telecom work in motion.

PLATFORM & SPLICING

- Step-Through, Walk-In & Splicing Platforms
- Rotating Splicing Platform
- 180° Manual Platform Positioner

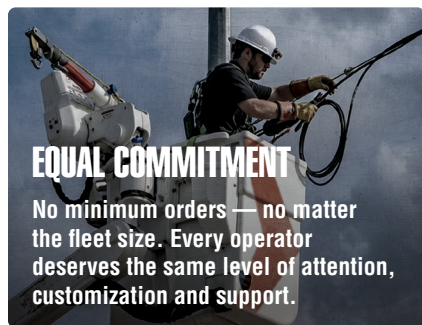

CONTROL & POWER

- Variable-Speed & 2-Speed Controls
- Remote Lower Controls
- Pneumatic Circuits & 120V Platform Power

UPTIME & CONFIGURATION

- 360° Non-Continuous Rotation
- Emergency Lowering & Backup Pump
- Insulated & Non-Insulated Configurations

THE VERSALIFT DIFFERENCE

What do you need to get the job done? Versalift answers with trucks, digger derricks and cable placers built around how crews actually work. How you move, what you need and what the job demands. Delivering more payload, better efficiency and less downtime. Because when your truck is Built Your Way, the work just works.
